

# Medical Weight Loss Program UPDATE!

Dear Valued Patients,

At Hendrick Urgent Care, we are committed to providing the highest quality of patient care and services, and your well-being is our top priority. As part of our ongoing dedication to our Medical Weight Loss Program and an excellent patient experience, we wanted to inform you of an upcoming change. Effective February 5th, there will be a price increase for Semaglutide injections at all Hendrick Urgent Care locations. Additionally, we will repeat labs every 3 months. This decision was not made lightly, and we want to assure you that it reflects our continued commitment to delivering top-tier care and services.

Your trust in Hendrick Urgent Care has been a cornerstone of our success, and we want to express our sincere gratitude for your loyalty. Our aim is to continue providing you with the best possible healthcare while maintaining affordability to the best of our ability.

Once again, thank you for entrusting us with your healthcare needs. We look forward to serving you with the same level of dedication, compassion, and excellence that you have come to expect from Hendrick Urgent Care. If you have questions or would like more information about this price adjustment, please do not hesitate to reach out to our team.
